

PRESS RELEASE

Clifton Mining Company Inc. (OTC: CFTN)

FOR RELEASE - July 20th, 2006

Join The CEO/President of The Miners of Precious Metals on MN1.com

Alpine, Utah: On July 20, 2006 at 9:00am CDT the President and CEO of Clifton Mining Company (OCTBB: CFTN), Ken Friedman, joined the Market News First on line radio team for an exclusive discussion.

Clifton Mining Company, an exploration stage natural resource company, engages in the development of mining claims in the United States. The company focuses on the exploration for precious metals projects on a 33 square mile joint venture property in the historic Clifton-Gold Hill area located in Tooele County, northwest Utah. The Company's property contains both patent and lode claims, and it has a 200 ton/day production mill facility for bulk sampling

In addition, the company is the largest single shareholder, owning about 24% of a private biotech company, American Biotech Labs (ABL) ABL produces a number of nano-particle silver products that are exceptionally effective at killing pathogens yet are non-toxic, even in large quantities, to mammals. 2005 was ABL's first profitable year, and it paid its first dividend to shareholders, including Clifton Mining.

Join Dick Hunter and Mike the Analyst in welcoming Ken Friedman on July 20, 2006 at 9:00am CDT.
