AMERICAN FORK - Clifton Mining Company (OTCBB: CFTN) – 3<sup>rd</sup> Quarter Update

Clifton Mining Company has received from Desert Hawk Gold Corp. the required annual payment of \$50,000 to maintain its lease on the Clifton Shear Zones. In addition to the lease payment, Desert Hawk has also paid the required annual BLM maintenance fees required on the claims they have under lease from the Company. Desert Hawk, since it began mining on Company properties in 2014, has paid Clifton just under \$300,000 in royalties on production of gold and silver from operations. Current operations have recently been put on hold while Desert Hawk works out its internal ownership issues. Operations may recommence at any time and when they do, we anticipate that the Company will benefit from the higher precious metals prices.

Please see the Company's website [www.cliftonmining.com](http://www.cliftonmining.com) for additional information. Clifton trades on the U.S. OTC: (CFTN). For additional information, contact Dr. Ken Friedman, President at 303-642-0659, or Keith Moeller at 801-756-1414 ext.100.
